PROFESSIONAL SUMMARY

Magna Cum Laude Computer Engineering graduate from Pamantasan ng Lungsod ng Maynila. Full-stack developer proficient in React, Next.js, and Node.js with a strong foundation in software engineering, data analysis, and UI/UX design. Proven track record in project management and cross-functional collaboration.

TECHNICAL SKILLS

- **Programming Languages:** TypeScript, JavaScript (Modern ES6+), C++, Python, Java, C#, HTML5, CSS3.
- **Frontend Development:** Next.js (14, 15.2, 16.2), React (v18, v19), Tailwind CSS (v3, v4), Vite, Framer Motion, React Icons, React Hook Form, Lucide React, Intersection Observer.
- **Backend Development & Cloud:** Node.js, Express.js, RESTful APIs, Nodemailer, Vercel, Docker, CI/CD, Build Optimization, Git & Version Control.
- **Database & Security:** MongoDB Atlas, Prisma ORM, SQL, Firebase, JWT (JSON Web Tokens), Bcryptjs, NextAuth, Schema migrations, Query optimization, CSRF Protection, XSS Prevention.
- **AI, Tools & Creative:** Google Generative AI (Gemini API), Unity3D, AR Foundation, SPSS, Zod Validation, Cloudinary, UI/UX Design, Videography.

EDUCATION

Bachelor of Science in Computer Engineering

Pamantasan ng Lungsod ng Maynila (University of the City of Manila) | Manila, Philippines
September 2021 - October 2025

- Academic Honors: Magna Cum Laude
- Consistent Dean's Lister (2021-2025)

PROJECTS

BlogSpace - Full-Stack Blog Platform

- Developed a production-ready platform using Next.js 14 (App Router) and TypeScript, implementing Prisma ORM with MongoDB for scalable data management.
- Engineered a secure JWT-based authentication system with Bcrypt, featuring email verification and middleware-protected routes.
- Integrated TipTap Rich Text Editor for seamless content creation and Cloudinary for cloud-based image hosting with automated validation.
- Implemented advanced real-time search with debouncing, a dynamic like/comment system, and server-side pagination to optimize UX.

St. Joseph Parish Gagalangin - Official Website | Full-Stack Developer

- Designed and built a modern, responsive full-stack web application serving the Catholic parish community with Mass schedules, sacrament guidelines, daily readings, events, and a podcast directory.
- Utilized Next.js 15+ (App Router), React 19, TypeScript, and Tailwind CSS v4.
- Integrated a custom interactive "Parish Assistant" chatbot utilizing Google Generative AI (Gemini) to instantly answer community questions and provide automated visitor assistance.
- Developed a custom Articles & News CMS leveraging MongoDB for data storage and Cloudinary for image hosting. Built direct email integration using Nodemailer for the parish contact form.

ARise: Augmented Reality (AR) Training (Capstone Project)

- Designed Unity3D-based AR games for children with ADHD to improve motor skills and cognitive engagement.
- Implemented interactive modules using AR Foundation and C# that respond to body movement and object tracking.
- Analyzed post-intervention user data using SPSS to measure quantitative improvements in coordination.

INTERNSHIP AND PROFESSIONAL EXPERIENCE

IT Intern | St. Joseph School of Gagalangin | Jan 2025 – Mar 2025

- Maintained IT infrastructure and provided technical troubleshooting for staff and faculty.
- Collaborated on technology integration initiatives to improve overall user experience and digital reporting.

IT Specialist and Director | Social Communications Ministry (SOCOM) | 2022 - Present

- Direct the technical production and digital outreach for parish community programs, including acting as Technical Director for the #iKMSJnaYan podcast since October 2025.
- Manage, configure, and maintain technical assets, including computer networks and advanced audio-visual equipment for live broadcasts and recordings.
- Provide rapid, real-time technical troubleshooting for hardware and software issues during live media productions to ensure high-quality, uninterrupted streaming.

PROFESSIONAL AFFILIATIONS

- Member, Institute of Computer Engineers of the Philippines (ICpEP.se) - PLM Chapter
- Member, AWS Cloud Clubs - Haribon
